

SPACE/TIME BURSARY APPLICATION

Space Six and The Empty Space are both committed to supporting performing artists in the North East of England to create work and develop sustainable livelihoods. They have teamed up to create SPACE/TIME, a bursary providing free rehearsal space, the funds to pay for artists' time whilst they use it, and mentoring from The Empty Space. We aim to make this bursary as accessible as possible and if different formats or concessions are needed to facilitate this please do contact us and we will accommodate as much as we can.

For the inaugural SPACE/TIME bursary we are seeking applications around the development of new work, community projects or artist training. Applicants must be based in, originally from or currently working in the North East of England, and be working in music, theatre, spoken word, dance, or other live art as a performer, maker, facilitator or trainer.

This year SPACE/TIME is intended to support the development of new work, community projects or artist training.

The SPACE/TIME package 2017 is 40 hours of free rehearsal room use at Space Six, £1100 of financial support to pay artists working on the residency (at least ITC rates of £458 per week or £100 per day) and up to 3 mentoring sessions with The Empty Space.
